- Plataforma Drawio:

A mobile application interface for a delivery form. At the top, there is a light blue header bar with a back arrow on the left and a menu icon on the right. Below the header, on the left, is a user profile icon (a blue outline of a person's head and shoulders) next to a text box containing the word "User". The main content area is a light gray rectangle with a white title bar at the top that says "Entrega" in bold black text. Inside this rectangle, there are six input fields, each with a label to its left: "CEP:", "Cidade:", "Bairro:", "Rua:", "Nº:", and "Obs.:". The "Obs.:" field is a larger text area. At the bottom of the gray rectangle is a blue button with rounded corners and the text "Confirmar" in bold black text. The entire app is shown within a gray rounded rectangle representing a smartphone, with a home button at the bottom.
